**TERMS OF GUARANTEE**

*This guarantee applies if, before the age of 27 months, your dog develops hip dysplasia, as evaluated by the Orthopedic Foundation for Animals (OFA); or any hereditary eye defect which renders your dog unsuitable for breeding (such as PRA or Retinal Dysplasia) as determined by a board-certified ophthalmologist and evaluated by the Canine Eye Registration Foundation (CERF), and said dog has not been bred.*

*Buyer & Breeder options and responsibilities*

- 1. The dog may be returned to breeder (at buyer's expense) and AKC registration papers signed over to breeder. Breeder, at his discretion) will either refund the entire purchase price of dog or replace the dog with a puppy of comparable breeding. Replacement puppy will be provided within 9 months unless buyer agrees to wait longer.*
- 2. Buyer may keep the dog. In order to ensure that the dog is not bred, Buyer must either have the dog neutered or return AKC registration papers with ownership signed over to Breeder. Breeder will refund 50% of purchase price upon receipt of signed AKC papers or veterinary certificate providing proof of neutering.*
- 3. In addition to the above guarantee, Buyer has 1 week to have puppy examined by a veterinarian of the Buyer's choosing. If the vet finds any problem, which concerns the Buyer to the extent that he no longer wants the dog, the dog may be returned to the Breeder at the Buyer's expense. Breeder will refund the entire purchase price upon receipt of the dog. Said defect must have been present when the dog was purchased and the dog must not have been injured and/or abused during the time after purchase.*
